

EE2361 - Lecture 18

10/19/21

Refs

Family Reference Manual

⇒ more detail than the datasheet

Didasion "Programming 16-bit
Microcontrollers in C: Flying
the PIC24"

Peripheral Pin Select PPS

Configure the pins and associate
some of the peripherals with particular
pins

Flexibility

Look at the PPS section
in PIC24F family reference
manual

Example of PPS

Use INT1 to ~~the~~ light an
LED for the duration of ~~the~~ two
pulses
